Happy Summer Friends,

I have a lot to say so I am going to jump right in with both feet!

Our new website [www.tricountyrw.club](http://www.tricountyrw.club) is coming along nicely and we hope to have it ready to roll out soon. Thank you, Rincon Law Firm, for sponsoring the web hosting and to Bertha & Jonathan Camarillo for sponsoring the secure set up of the site. It will be a work in progress as we need to find a sponsor for the forms pages we want to create for membership and payments. If you are able to do this for us, it will help us get to where we want to be a lot sooner.

Please help us spread the news of our July 13th event by sharing our flyer, and inviting your friends and family. This is open to the public and is a great way to share our club with Young Republicans who are not able to attend a lunch meeting. If you are unable to come, consider sponsoring a candidate or guest to join us. The cost is \$25.00 and includes dinner.

Candidates are starting to file for the 2022 elections and with lots of officials retiring it looks like we will have a lot of work to do in helping Republicans to WIN. With that in mind, we will need to have a fundraiser sooner than later and unfortunately, we have confirmed our original ticket idea is against General PAC Rules. 😞

This news put your board into immediate action to come up with ideas on how to raise the much-needed funds by the end of the year. Since we are having a special event July 13th, we are adding a "silent auction" to the night. Our goal is to create about 10 – 12 nice auction items to bring in \$1000 - \$1500 and start building our war chest. If you have items you would like to donate, please bring them to my house no later than July 9th so we can put them together. If you were planning on donating to our original idea, those gift cards are still welcome and can be used in our silent auction.

And if you have not been paying attention, this really is war. It is a spiritual, emotional and physical battle for our communities across Texas and the entire United States. This is not a war we can sit back and let others fight for us, we must arm ourselves with knowledge, ask God for wisdom and learn how to ask candidates the hard questions. Through my years with you'll, I have learned first-hand not all Republicans are created equal, which would be fantastic IF they all had US as their top priority.

There is a scorecard on each Texas Lawmaker at – [index.texastaxpayers.com](http://index.texastaxpayers.com) where you can see how your elected officials scored on putting us, the taxpayer first in this last Legislative Session. I will tell you now, there are several local officials who need to change their ways or retire so someone else can stand up for us. I would encourage you to check this out and not go by the score alone, click on the Representative and see how he voted on individuals bills. Then prayerfully ask God what he would have you do to affect real change. It could be your turn to run for local office, get on a campaign, block walk, serve on our board or committee. This is not a spectator sport and I pray you will all put on the armor of God and get into the battle with me.

God Bless Texas!

*Gaylyn*
